Watersall, Inc.

Watersall's unique products add back the basic element skin needs to look healthy, vibrant and youthful. Pure water delivered by an ultra-fine mist replenishes the surface of the skin to plump, soothe and refresh. So, don't muddy the water with fragrances, alcohol, preservatives or drying chemicals. After exercise or a day in the sun, restore skin to its proper pH by gently misting and blotting the face and other exposed skin. The purified water is also sterilized to ensure the highest standards of quality.

Highlights

- Sets and revitalizes makeup
- Gently washes away perspiration, drying sea/chlorinated water and pollutants
- Soothes dehydrated skin during air travel
- Instant relief for hot flashes. Be extra cool...store in refrigerator
- Instant fix for a child's (or adult's) "bed head" in the morning
